## Curriculum Vitae

---

### **ALEXANDRE DELEN**

(° 1977, Belgian)

Member of the Board of Directors

Non-executive director (since 2022)

---

Alexandre Delen began his career in 1999 in capital markets and information technology (IT) consultancy before joining Delen Private Bank in 2002. Following a traineeship at Swiss American Securities, he assumed responsibilities within the bank's IT function and became a key driver of its digital transformation, leading major initiatives in areas including cloud and hyper-converged computing. He was appointed to the company's executive committee and board of directors of Delen Private Bank in 2014 and has served as managing director since 2017, with oversight of IT, operations, and logistics. In addition, he acts as an information and communications technology (ICT) adviser to several companies within the Ackermans & van Haaren group.

He has been a director of SIPEF since 2022.
